

I'd like to take this opportunity to thank you so much for all the assistance you and the entire staff at The Equinox gave us during our recent Summit. The care and attention our attendees received was extraordinary.

The food outstanding at every meal and we all got our fill...at least for a week. All had a great time with whatever activity they chose, and the Archery/Falconry and Fly Fishing were particular hits. We look forward to retuning in the future.

The meeting was a success on so many levels and being at the Equinox was a huge hit!

As an event planner it was a pleasure to work with both of you in planning for our All Division Meeting and Broker Advisory Event. The attention to detail, from beginning to end, was exceptional, and the dedication to customer service was absolutely superior.

It is my pleasure to recommend your property to friends and colleagues.

Our employees are still talking about our event and our brokers thought the event was "flawless" (haven't heard that word in a long time!)

I recently held a conference for over 60 of our managers, top executives, sales professionals and vendors at your resort in Manchester, Vermont; The Equinox.

To say I was impressed is an understatement. Over the past twenty years I have held and attended functions at many of the best resorts in the country and our event at the Equinox set a new standard.

I just wanted to thank you for a terrific meeting. I received lots of good feedback on the location, the delicious food and wonderful service.

The dinner at the Pond Pavilion seemed to strike a chord with lots of people—the Chop House and Reluctant Panther were excellent choices as well. Thanks for being so responsive to all our special requests.

Thank you for your many efforts that helped us carry out one of our most successful Conferences yet.

Our guests were overwhelmed with the incredible food, and everyone was pleased with the location. I will be surveying the group for their feedback and will let you know what I hear.

I hope to confirm next year's conference date and location soon so that we can begin to plan for next year ... most likely with The Equinox.

Bravo! Encore!!
